

Traffic and Safety Committee

Meeting Minutes

March 5, 2013

Meeting began at 5:35

In attendance: Laurel Durenberger, Bob Tovo, Alison Fenton, Lauren Brickner McDonald, Frank Borin, Paul Odenwelder

Amended attendance from last meeting: Alison Fenton, Lauren Brickner McDonald, Bob Tovo, Shawn Bennett, Paul Odenwelder, Laurel Durenberger, Eva Mesicek, John Grossman (Co-chair of Historic Preservation Committee)

- Minutes approved
- New council liaison Frank Borin introduced

OLD BUSINESS

- TSC committee still needs one more member. Suggestion made that we consider adding a student member
- Handouts were distributed from special council meeting where chairs from all borough committees were invited to attend.
- Paul asked that the TSC website be reviewed. Minutes will be posted on the borough website.

Sidewalks

- Mark Prusina would like a prioritized list of sidewalks that need repair. The borough list is derived from what the committee discusses, in addition to those that are already determined to need work.
- There have not been any calls to Bob regarding the need for repair. Now is the time of year when concerns begin to arise.
- Sidewalks on Pollard needs repair, along with Kenilworth
- Sidewalk outside of the old Market building is under consideration.
- Morris and Briarcliff guard action is being addressed.
- JCP&L needs to be called with specific poll numbers and closest address where streetlight outages remain

Walk to School

- Program is being discussed in Wildwood classrooms and it seems that more kids are walking. Traffic flow seems to be improved due to the officer at Wildwood.
- There was a suggestion from a parent to close down Glen for walkers.

NEW BUSINESS

- Marnie Vyff (at special council meeting) suggested that we explore Sustainable NJ information that our committee can submit to enhance town standing in program

- Lauren mentioned a need for action regarding loose dogs that are in the Village area.
- Council suggests seeking funding for Walk to School program that would enable sidewalk repair

Reminders

- Arbor Day April 26th at Wildwood, Green Films April 13th
- Walking tour available at the library, visit the new reading room

Meeting conclusion 6:22
